# Build your savings when you pay your rent!

Glasgow Credit Union has teamed up with Glasgow West Housing Association to offer you credit union services via your rent payment. It's so easy to save, contributing a little each month soon adds up!

Once your membership is activated you can save directly to your credit union account whenever you pay your rent.

All you need to do is fill in a quick form telling us how much you want to save. We will do the rest! Once you are a member you can access all of the credit union's services (further details on application).
