

About this role

An exciting opportunity exists for a Labourer to join our Branch.

Business Overview:

Bell is currently one of the largest Property Services contractors in the UK, both in terms of our geographical coverage and our directly employed workforce.

We have been a family owned and operated company since 1988. Our group has grown since then to offer a full spectrum of property services including: Planned and Project works in Painting, Roofing, Flooring, Passive and Active Fire Protection, Kitchen and Bathroom Replacements, Multi-Disciplinary Fabric Upgrades, Retrofit and Energy Services and Response and Void Maintenance Contracts, delivered by expert, directly employed teams across 40 branches.

Our largest sectors are Social Housing, Defence, Local Authority, Healthcare, Education, Retail and Leisure, Commercial and Industrial. Our complementary private residential offering, Paint My Home, and our specialist new build flooring and coatings business CB Contracts complete our suite of businesses.

Our key strength is our people. We aim to help every team member progress to reach their full potential and are proud to have Directors on our board that began their career with us as Apprentices. We spend time developing training programmes to help our employees achieve their goals and instil a sense of pride. We seek out business opportunities to build employee and community skills and are considered one of the largest employers of apprentices within the construction industry.
